

Insurance Brokerage funding

Insurance Broker Bridge finance

Weaver Capital consulted to an insurance brokerage firm, that required additional resources for the placement of additional Broker consultants

Our solution included :

1. Arrangement of R 600 000 in bridge funding within 48 hours
2. Consolidation of property finance to access an additional R 1.5 million in available funding for the project
3. Introduction to our customer base - allowing for expansion of the placement of their insurance solutions.

The Result

The solution ensured enhanced cashflow, as well as improved business opportunities - allowing attractive growth prospects for the company
