

EQUIPMENT

SUPPLY AND FINANCE

MINING AND CONSTRUCTION EQUIPMENT

STRONG PARTNERSHIPS

Weaver Capital (Pty) Ltd maintain partnerships with the largest suppliers of mining, construction and other plant equipment. Our interest is in the supply and financing of this equipment to our mining customers – in support of our Commodity Trading activities.

Product independence – means we can create solutions that suits your specific requirements

NEW AND RE-MANUFACTURED SOLUTIONS

We provide access to new equipment through relationships with manufacturers.

However our provision of rental services, allows us to consistently provide re-manufactured equipment – from returning holdings on short or long term rentals to meet any requirement.

EXTENDED OFFERING

We supply and finance a large range of mining equipment including:

1. all types of yellow metal
2. Underground mining equipment
3. Drilling and exploration equipment
4. Plant and machinery
5. Transport equipment
